

REMARKS

Minor corrections have been made to the specification. Claims 1-3 have been amended. Claims 1-4 remain pending. Reconsideration and reexamination of the application, as amended, are requested.

The Examiner objected to the specification for certain informalities. The Examiner's comments have been considered, and the specification has been corrected.

The Examiner objected to claim 3. The Examiner rejected claims 1-4 under 35 U.S.C. §112, second paragraph, as being indefinite. The Examiner's comments with respect to the objection and the rejection have been considered and appropriate amendments have been made.

The Examiner indicated that claims 1-4 would be allowable if rewritten to overcome these matters.

In view of the above, it is submitted that the application is in condition for allowance. Reconsideration and reexamination are requested. Allowance of claims 1-4 at an early date is solicited.

Respectfully submitted,
